

# Career Redeployment Solutions

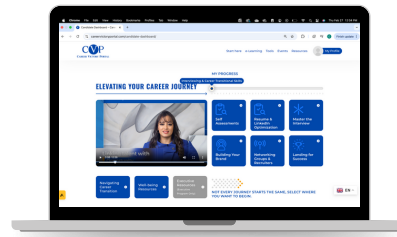

CMP provides group and individual career redeployment solutions that are customized to meet the unique needs of individuals, groups, and organizations.

## The Art & Science of Career Transition

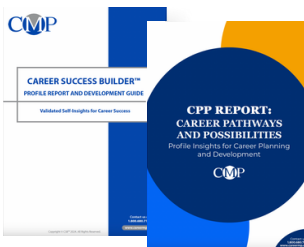

CMP career transition support draws on decades of experience, proprietary content and assessments, and contemporary technology.

**Career Coaching**  
 CMP certified and experienced coaches provide real-time guidance, insights, and resources.

**Career Victory Portal**  
 AI and job search tools, contacts, interview simulator, and on-demand training to support every phase of a successful career transition.

**Career Assessments**  
 Support career decision making, alignment, and successful career navigation.

**Career Development**  
 Critically acclaimed books with research-driven insights and application to create a great career.

## Group Support

### Workshops

Interactive workshops supporting career development, alignment, and job transition. The core workshops below can be customized to meet a client's unique objectives:

- ▶ “Your Career from the Inside Out” supports proactive career planning and development within an organization.
- ▶ “Career Search Essentials” supports job search and transition within an organization.

### Coaching

- ▶ Certified and experienced career coaches.
- ▶ One-on-one support to meet each candidate where they are and take them where they want to go, supported by unlimited access to the Career Victory Portal.
