

Career Redeployment Workshop

Career Success Essentials

Focus: Career Success Essentials provides tactical support to explore, prepare for, and successfully land a new role within an organization. This is a proven solution for employees whose roles have been eliminated.

Approach: Career Success Essentials provides participants with deeper insights into their career possibilities through empirical assessment, and the practical tools and support needed to land a new role.

Content is adapted to the unique needs and available resources within an organization.

Half-Day or Full-Day—up to 22 participants.

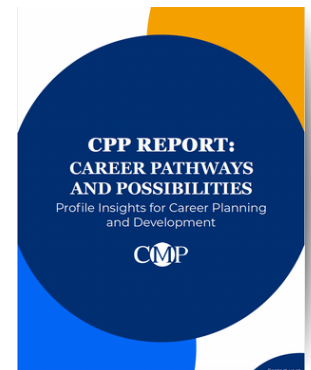

Session
