

CMP Offers Free Access to Comprehensive Career Portal

CMP provides free portal access to 1,000 people who need to find a job

Dallas (March 23, 2020) – CMP, a leading [recruiting](#), [assessment](#), coaching, and [outplacement](#) firm, announced today that they will provide 1,000 people free access to their career portal. “With the COVID-19 pandemic, millions of individuals and families are experiencing job insecurity and financial stress. Our *OI Solutions eCareer Center*™ can immediately boost their job search,” says Maryanne Piña, CMP CEO.

OI Solutions eCareer Center™ offers a comprehensive array of tools and services to create fast results for job seekers. It’s a virtual career center that supports every phase of a successful job transition.

Key features of the eCareer Center include:

- › Direct access to over 1,000 recruiters nationwide through eGold.
- › Targeted job openings in your industry, identified more expediently, along with contacts to short-circuit recruitment time.
- › Webinars to support every aspect of a successful career transition.
- › Interview Simulator with hundreds of questions and videos for targeted practice.
- › Progress tracker so you can stay on schedule and remain aware of your progress.
- › Self-assessment tools to assess your skill sets and interests.
- › Resume builder—a step-by-step tool to create a winning resume and cover letter.
- › Resume 360—Applicant Tracking System rating and editing tool to ensure you stand out when applying online.
- › Content delivered in video, audio podcasts, written tutorials, and e-learning modules.
- › Increased numbers of target employers and better intelligence provided by best-in-class research.

This offer is available to anyone experiencing job insecurity. To receive free access to the OI Solutions Career Portal for 6 months, please [REGISTER](#).

“The COVID-19 crisis is hitting everyone directly. We are glad to be in a position to help,” says Joe Frodsham, CMP President.
